Stand

Rascal Flatts

You feel like a candle in a hurricane
Just like a picture with a broken frame
Alone and helpless, like you've lost your fight
But you'll be all right, you'll be all right[Chorus]
Cause when push comes to shove
You taste what you're made of
You might bend till you break
'Cause it's all you can take
On your knees, you look up
Decide you've had enough
You get mad, you get strong
Wipe your hands, shake it off
Then you stand, then you standLife's like a novel with the end ripped out
The edge of a canyon with only one way down
Take what you're given before it's gone
And start holdin' on, keep holdin' on'Cause when push comes to shove
You taste what you're made of
You might bend till you break
'Cause it's all you can take
On your knees, you look up
Decide you've had enough
You get mad, you get strong
Wipe your hands, shake it off
Then you stand, yeah, then you standEvery time you get up
And get back in the race
One more small piece of you
Starts to fall into place[Chorus]Yeah, then you stand, yeah
Yeah, baby
Woo hoo, woo hoo, woo hoo, woo hoo
Then you stand, yeah, yeah
