It's Not For Me To Say

She & Him

It's not for me to say, you love me
It's not for me to say, you'll always care
Oh.. but here for the moment
I can hold you fast
And press your lips to mine
And dream that love will last

As far as I can see, This is heaven
And speaking just for me, It's ours to share
Perhaps the glow of love will grow
With every passing day
Or we may never meet again
But then it's not for me to say

And speaking just for me
It's ours to share
Perhaps the glow of love will grow
With every passing day
Or we may never meet again
But then it's not for me to say
