## A Day to Remember

Everything around me seems so much  
Different than where I'm from  
And at this rate I think my fate's been sealed  
This life's so unpredictable  
We'll go 'cause we need to live a life that no one knows  
Where's this gonna go? Right here, right now this is the beginning of the end  
And I won't sing a single thing until we can get this right  
I'm moving on, I'm moving on Hey mom, I wrote you some soft songs  
And tell dad I'm just fine  
We had to choose, we made our moves  
And now we gotta go, go Everything about me seems  
So much different when I was young  
I couldn't wait to take my place  
5 years have passed, they're gone if I'd be gone  
So why, I've never felt so alone in my whole life  
Signs aren't on my side Right here, right now this is the beginning of the end  
And I won't sing a single thing until we can get this right  
I'm moving on, I'm moving on Hey mom, I wrote you some soft songs  
And tell dad I'm just fine  
We had to choose, we made our moves  
And now we gotta go And why does this make me so nervous?  
Why does everything go wrong?  
Why does this make me so nervous?  
And why does everything go wrong? I'm holding on to a fairy tale  
We're moving forward but we're not there yet  
I'm holding on to a fairy tale  
We're moving forward, we're moving forward I'm holding on to a fairy tale  
We're moving forward but we're not there yet  
I'm holding on to a fairy tale  
We're moving forward, we're moving forward Hey mom, I wrote you some soft songs  
And tell dad I'm just fine  
We had to choose, we made our moves  
And now we gotta go And why does this make me so nervous?  
(You make me so, you make me so)  
And why does everything go wrong?  
Why does this make me so nervous?  
(You make me so, you make me so)  
And why does everything go wrong?
