Burn

Cats On Trees

I don't know how you make me feel,
Another you, another me
I think you're just wasting my time
I don't want to give us any chance,
You to love me
Me to love you
I want to struggle against feelingsAll the crows are flying outside
Pain is only mine, never felt, by the others
I don't know how you make me feel,
Another you, another me
I think you're just wasting my time
All the crows are flying outside
Pain is only mine, never felt, by the othersAll my dreams just went away somewhere
Away from there, away from there
All my dreams just went away somewhere
Now, you burn, now, you burn, and I don'tYou want to play me, make me twist,
Between your fingers I have to slip,
I'm really sick, I lose my mind,
I don't want to waste another day,
You to love me,
Me to love you,
I want to struggle against feelingsAll the crows are flying outside
I'll keep my eyes on you until you fade awayAll my dreams just went away somewhere
Away from there, away from there
All my dreams just went somewhere,
Now you burnI don't know how you make me feel,
Another you, another me
I'm really sick, out of my mind
