Goodness Gracious

Ellie Goulding

I lost the signal and put you away
Swore upon the sun I'd save you for a rainy day
Loosen the noose & let go of the rope
I know if it's never coming back it has to goI keep callin' your name, keep callin' your name
I wanna hold you close but I never wanna feel ashamed
So I keep callin' at night, keep callin' at night
I wanna hold you close I just never wanna hold you tightGoodness gracious I can't seem to stop
Callin' me out, callin' me out just to keep crawlin' into your arms
Goodness gracious I can't seem to stop
Callin' me out, callin' me out just to keep crawlin' into your armsI found the weakness & put it to play
Swore upon the stars I'd keep you til the night was day
Shake my head dizzy so I'll never know
You said if you're never comin' back you have to goI keep callin' your name, keep callin' your name
I wanna hold you close but I never wanna feel ashamed
So I keep callin' at night, keep callin' at night
I wanna hold you close I just never wanna hold you tightGoodness gracious I can't seem to stop
Callin' me out, callin' me out just to keep crawlin' into your arms
Goodness gracious I can't seem to stop
Callin' me out, callin' me out just to keep crawlin' into your armsAaaaahhhh
Callin' me out just to keep crawlin' into your arms
Callin' me out just to keep crawlin' into your armsOh my goodness, here I go again
Pullin' u back to me, pullin' u back into my arms so selfishly
I don't think I understand cuz I don't really know myself
I keep callin' u callin' u out
Callin' u out x3Goodness gracious I can't seem to stop
Callin' me out callin' me out just to keep crawlin' into your arms
Goodness gracious I can't seem to stop
Callin' me out callin' me out just to keep crawlin' into your armsAaahhh
Aaaaahhhhh
Callin' me out just to keep crawlin' into your arms
Callin' me out just to keep crawlin' into your arms
