I'm Looking for a Woman

Bo Diddley

I'm looking for woman That will work an' set me down I'm looking for a woman That will work an' set me down I've been looking all night long She can't be foundWell, I met one last night And I told her what I liked Well, I met one last night And I told her what I liked She said, "Get away from here, country boy Go back to your countryside"Well, tell me, baby What you see wrong with me? Well, tell me, baby What you see wrong with me? Well, if I had you baby Be good, you didn't [incomprehensible] back at meWell, so long Mama Baby, bye, bye, you, bye Well, so long Mama Baby, bye, bye, you, bye Well, now bye, bye baby With those tears in your eyes
