

Put It There

[Paul McCartney](#)

Give me your hand I'd like to shake it
I want to show you I'm your friend.
You'll understand if I can make it clear
Its all that matters in the end. Put it there if it weighs a ton,
That's what the father said to his younger son.
I don't care if it weighs a ton,
As long as you and I are here, put it there.
Long as you and I are here, put it there. If there's a fight I'd like to fix it,
I hate to see things go so wrong.
The darkest night and all its mixed emotions,
Is getting lighter sing a song. Put it there if it weighs a ton,
That's what the father said to his younger son.
I don't care if it weighs a ton,
As long as you and I are here, put it there.
Long as you and I are here, put it there.
