Ghost

K. Michelle

I can't believe my eyes (eyes)
I can't believe what I'm seeing (seeing)
What, what a surprise (surprise)
I can't, I can't, I can't believe it (believe it)
You used to be so many colours to me
Now when I look at you all I see is clear
And nothing else in this world mattered to me
Just as long as I had you near
I stepped right off the highest building
Thinking I could walk the sky
Tell me and I would believe
But this will be the last time you made me cry
Cause I see you're nothing but a smokescreen
A ghost, you're nothing but a ghost to me
A ghost, and you don't exist no more
You're nothing but a ghost to me
A ghost, and you don't exist no more
See you used to be my dream
Now all you do is haunt me
go.. go.. go.. (eh eh eh eh)
go... (eh eh eh eh)
go... (eh eh eh eh)
go... (eh eh eh)
I used to think heaven when I looked at you
Because you were an angel to me
But now all the hell that you took me through
Baby, you lost your wings
I used to feel like I was on top of world
With you I would go anywhere
Until I woke up at the bottom of this earth
And saw you both lying there
A ghost, you're nothing but a ghost to me
A ghost, and you don't exist no more
You're nothing but a ghost to me
A ghost, and you don't exist no more
See you used to be my dream
now all you do is haunt me
go.. go.. go..(eh eh eh eh)
just go... (eh eh eh eh)

just go.. (eh eh eh eh)
just go .. (eh eh eh)
Ou you used to love me
But now slowly I see you drifting
Ever since you broke my heart in two
I don't wanna have nothing to do with you
Now even though I still love you boy
I gotta walk away from you boy
I got my strength (yes)
I can't do this (yes)
Scratch your name off my listA ghost, you're nothing but a ghost to me (a ghost)
A ghost, and you don't exist no more (no more)
You're nothing but a ghost to me (you're nothing but a ghost)
A ghost, and you don't exist no more (used to be)
See you used to be my dream (you and me)
now all you do is haunt me
go.. go.. go.. (eh eh eh eh)
Just go... Just go... (eh eh eh eh)
I can't believe my eyes (eyes)
I can't believe what I'm seeing (seeing)
What, what a surprise (surprise)
I can't, I can't, I can't believe it
You're a ghost
