

# Please (Single Version)

## The Kinleys

There ain't no easy way to start this conversation  
So I'll just say what's on my mind  
Once our hearts both shared a common destination  
To love until the end of time Lately we've been drifting further from each other  
Someone's gotta take the wheel  
I won't wait until it's too late to recover  
So let me tell you how I feel I'll do anything if it'll bring our hearts together  
I'll stand and fight or get down on my knees  
If we can fix what's wrong and just go on in love forever  
Baby I'll be beggin' please I'm strong enough to handle any situation  
But honey true love has no pride  
So I can say without a moments hesitation  
Before I'll let you say goodbye I'll do anything if it'll bring our hearts together  
I'll stand and fight or get down on my knees  
If we can fix what's wrong and just go on in love forever  
Baby I'll be beggin' please Boy you know your love's my one true weakness  
When it comes to you I'm helpless I'll do anything if it'll bring our hearts together  
I'll stand and fight or get down on my knees  
If we can fix what's wrong and just go on in love forever  
Baby I'll be beggin' please...please
