

# How Far (feat. Marta Jandová)

## Apocalyptica

My life is a circle  
No beginning and no end  
It's always repeating a trail I defend  
A misunderstanding  
That can't be erased like a file  
I've got all I wanted  
But still I'm not satisfied  
How far will I go to  
And search my respect and my pride  
How long will I lie to myself  
About the privilege of my life  
That turns around 'till I die  
And take the dark with me  
Why am I sad when I have more than I ever had?  
My life is too stable I get no air  
My jail is my skin I'm false like a fable  
That is being praised for it's sin  
Once I am trying to follow the light  
Then the bitch grips my feet  
Pulls me down underneath  
How far will I go to  
And search my respect and my pride  
How long will I lie to myself  
About the privilege of my life  
That turns around 'till I die  
And take the dark with me
