Couldn't Stand the Weather

[Stevie Ray Vaughan & Double Trouble](#)

Comin' through this business of life
There's rarely time if I'm needed to
Ain't so funny when things ain't feelin' right
Then daddy's hand helps to see me throughSweet as sugar love won't wash away
Rain or shine, it always here to stay
All these years you and I've spent together
All this, we just couldn't stand the weatherLike a train that stops at every station
We all deal with trials and tribulations
Fear hangs the fellow that ties up his years
Entangled in yellow and cries all his tearsChanges come before we can go
Learn to see them before we're too old
Don't just take me for tryin' to be heavy
Understand, it's time to get ready for the storm
