

# You'll Accomp'ny Me

**Frankie Ballard**

A gypsy wind is blowing warm tonight  
The sky is starlit and the time is right  
And still you're tellin' me you have to go  
Before you leave there's something you should know  
    Yeah, something you should know baby  
    I've seen you smiling in the summer sun  
I've seen your long hair flying when you run  
    I've made my mind up that it's meant to be  
        Someday baby you'll accomp'ny me  
        Someday baby you'll accomp'ny me  
    Out where the rivers meet the sounding sea  
You're high above me now, you're wild and free,  
    ah but Someday baby you'll accomp'ny me  
        Someday baby you'll accomp'hy me  
    Some people say that love's a losin' game  
        You start with fire but you lose the flame  
The ashes smolder but the warmth's soon gone  
    You end up cold and lonely on your own  
        I'll take my chances babe I'll risk it all  
        To win your love or I'll take the fall  
    I've made my mind up girl it's meant to be  
        Someday baby you'll accomp'ny me  
        Someday baby you'll accomp'ny me  
    It's written down some where, it's got to be  
You're high above me now, your wild and free  
    Oh but someday baby you'll accomp'ny me  
        Someday baby you'll accomp'ny me  
        A gypsy wind is blowing warm tonight  
        The sky is starlit and the time is right  
        And still you're tellin' me you have to go  
Before you leave there's something you should know  
    Someday baby you'll accomp'ny me  
        Out where the rivers meet the sounding sea  
You're high above me now, you're wild and free,  
    ah but Someday baby you'll accomp'ny me  
        Someday baby you'll accomp'ny me  
        Someday baby you'll accomp'ny me  
    It's written down some where, it's got to be  
You're high above me now, your wild and free

Oh but someday baby you'll accomp'ny me  
Someday baby you'll accomp'ny me
