Vacation

G.R.L.

[Verse 1]
Was crying all night
I slept until noon
I just wanna lie in
My living room
I know in my heart
That you're not the one
So I'll just stay home
Watch VH1[Pre-Hook]
My girlfriends know what to do-oo
They know what to say, oh-oh-oh
My girlfriends to the rescue-oo
Come take me away[Hook]
I'm on vacation tonight
I'm gonna leave you behind
I'm on vacation tonight
I'm gonna lose my mind[Post-Hook]
With someone new...new...
With someone new...new...
With someone[Verse 2]
I sit in the front
Roll down the window
When our song comes on
The radio
I won't fall apart
I won't self destruct
No I'll just reach out
And turn it up[Pre-Hook]
My girlfriends know what to do-oo
They know what to say, oh-oh-oh
My girlfriends to the rescue-oo
Come take me away[Hook]
I'm on vacation tonight
I'm gonna leave you behind
I'm on vacation tonight
I'm gonna lose my mind[Post-Hook]
With someone new...new...
With someone new...new...
With someone[Bridge]

Yeah, la, la, la, la, la, la
(Girls, let's go)[Pre-Hook]
My girlfriends know what to do-oo
They know what to say, oh-oh-oh
My girlfriends to the rescue-oo
Come take me away[Hook]
I'm on vacation tonight
I'm gonna leave you behind
I'm on vacation tonight
I'm gonna lose my mind[Hook]
I'm on vacation tonight
I'm gonna leave you behind
I'm on vacation tonight
I'm gonna lose my mind[Post-Hook]
With someone new...new...
With someone new...new...
With someone
