# When I'm with You

## Best Coast

The world is lazy
But me and you
We're just crazy
So when I'm with you I have fun
Yeah when I'm with you I have fun
Yeah when I'm with you I have fun
Yeah when I'm with you I have funThe world is lazy
But me and you
We're just crazy
So when I'm with you I have fun
Yeah when I'm with you I have fun
Yeah when I'm with you I have fun
Yeah when I'm with you I have fu-unEver since I was a little girl
My mumma always told me there'd be boys like you
So when I'm with you I have fun
Yeah when I'm with you I have fun
Yeah when I'm with you I have fun
Yeah when I'm with you I have fu-unI hate sleeping alone
I hate sleeping alone
I hate sleeping alone
I hate sleeping alone
alone
alone
alone
alone
alone
