Fighting Is Futile

Matthew Dear

Take a trip on something else
I feel exodus, when I feel golden
There's something deep inside her, when she has spoken
We have to concentrate to get the feeling right
If all I had was this, I'd feel so satisfied
Take a trip on something else
And it's like everyone finds a home in the afterlife
I'm not sad anymore
I'm not sad anymore
Is it me?
Or is it you?
Is it time for something new?
It's not bad anymore
It's not bad anymore
I don't think about anything but you
When you go away I can't be myself because I'm stuck on you
Try to oppress this dreaming of you
What's it gonna take to get on board a basis with you?
Take a trip on something else
