

Binary 101

Earthtone9

viewed from the darkest hole
outward face looking up
despair viewed down on, down on , down on
marked by a deeper scar
find the light i look for, look for, look for
these scars cause fallsi have need for outward
do i have to wait?
wait for this
i begin the long climb back on this rough terrain - longdragged down to a new depth
balance lost again, again, again
these scars cause fallsi have need for outward
do i have to wait?
wait for this
i begin the long climb back on this rough terrain - long
