

# Now It's Dark

## Anthrax

In dreams I can rule your life, with me nothing's ever right  
Sing for me up on a stage, keep your mind trapped in a cage  
I'm your man I'm what you need, dance with me but never lead  
One deep breath will set me free, don't you fuckin' look at me

You know that I am

One fuckin' well dressed man! Now it's dark, but I can see

Don't you fuckin' look at me

Now it's dark, your gonna be

Exactly what I want to see

Now it's dark, Mommy

Don't you fuckin' look at me!

A sensation

Of elation

Intoxication

Now it's dark! A candy coated existence, underneath is decadence

What was hidden you have found, made it your own battleground

Pretty, pretty don't you please, don't you fuckin' look at me

You know that I am

One fuckin' well dressed man! I'll send you a love letter, Straight from the bottom of my heart

You'll be fucked forever, The candy coated clown's done his part

I'm your man I'm what you need, Dance with me but never lead

One deep breath will set me free, Don't you fuckin' look at me

You know that I am

One fuckin' well dressed man!
