

# Lights (Bakermat Remix)

## Hurts

Do you know what it feels like to dance alone?  
Do you know what it feels like?  
Do you know what it looks like from the outside?  
Do you know what it looks like? Won't you get up?  
Shaking the darkness  
Won't you get up?  
And we could just start this now  
'Cause when you get up I couldn't ignite it  
You're the one I want beside tonight Turn up the lights  
I just wanna see you dancing  
I just wanna see you  
Turn up the lights  
I just wanna see you dancing  
I just wanna see you dancing Do you know what it feels like to be the one?  
Out here on the dance floor just watching up  
Do you know what it hurts like to be left alone?  
Do you know what it hurts like? 'Cause when you get up I couldn't ignite it  
You're the one I want beside tonight Turn up the lights  
I just wanna see you dancing  
I just wanna see you  
Turn up the lights  
I just wanna see you dancing  
I just wanna see you dancing When the lights are turn to low for me  
In the dark I feel you close to me  
You're the one that I want to see  
You're the one that I want to see When the lights are turn to low for me  
In the dark I feel you close to me  
You're the one that I want to see  
You're the one that I want to see When the lights are turn to low for me  
In the dark I feel you close to me  
You're the one that I want to see  
You're the one that I want to see Turn up the lights  
I just wanna see you dancing  
I just wanna see you  
Turn up the lights  
I just wanna see you dancing  
I just wanna see you dancing  
I just wanna see you dancing  
I just wanna see you I wanna see you

I wanna see you

I wanna see you

I wanna see you
