

# Rescue Me

## Sons Of Thunder

For the sake of Your name  
    Forgive my sins  
    Remember, o Lord  
Your great mercy and love  
    Remember not my sins  
    My rebellious ways  
    According to Your love  
For You are good oh LordLord I lift my soul to You  
    In You I trust Oh Lord, my God  
    My eyes are ever on the Lord  
Cause you're the King of KingsRescue me, oh-oh-oh  
    Rescue meShow me Your ways  
    And teach me Your paths  
    Guide me in Your truth  
    All my hope is in You  
Lord, guard my life and rescue me  
    According to Your love  
For You are good aloneTurn to me oh gracious God  
    For I am lonely and denied  
    The troubles of my heart is pain  
Free me from my sinsRescue me, oh-oh-oh  
    Rescue meLord I lift my soul to You  
    In You I trust oh Lord, my God  
    My eyes are ever on the Lord  
Cause you're the King of KingsTurn to me oh gracious God  
    For I am lonely and denied  
    The troubles of my heart is pain  
    Free me from my sins  
Oh yeahRescue me, oh-oh-oh
