

# Remember

## Jimmie's Chicken Shack

Here in the water  
Waste time  
The time to size the change  
Here in the desert  
Bone dry  
Your eyes are out of bridge  
And I will save her  
Dishonor me  
Everything comes  
To some end or release  
To fashion the love  
Without size or restraint  
Never a star will fall  
Another will follow my call  
And when you hear the crying  
Of your lonely way  
Remember  
You are the ocean,  
I am the man  
You play the woman,  
I will play the land  
And I will save her  
Dishonoring  
Everything comes  
To some end or release  
To fashion the door  
Without the pain  
Another line will fall  
Another will follow my call  
And when you here the crying  
Of your lonely way  
Remember
