

Suicide Blonde (7" Mix)

INXS

Don't you know what you're doing
You've got a death wish Suicide blonde
Suicide blonde
Suicide blonde
Suicide blonde Suicide blonde was the color of her hair
Like a cheap distraction for a new affair
She knew it would finish before it began
Wow baby I think you lost the plan You want to make her suicide blonde
Love devastation, suicide blonde
You want to make her suicide blonde
Love devastation, suicide blonde She stripped to the beat but her clothes stay on
White light everywhere but you can't see a thing
Such a squeeze
A mad sad moment
Glory to you
Glory to you
Take me there
Take me there Got some revelation
Put into your hands
Save you from your misery like rain across the land
Don't you see the color of deception
Turning your world around again You want to make her suicide blonde
Love devastation, suicide blonde
You want to make her suicide blonde
Love devastation, suicide blonde You want to make
You want to make
You want to make her suicide blonde
You want to make
Aww That's the story You want to make her suicide blonde
Love devastation, suicide blonde
You want to make her suicide blonde
Love devastation, suicide blonde Love devastation
You want to make her suicide blonde
Love devastation, suicide blonde
