

Sunrise

Norah Jones

Sunrise, sunrise, looks like morning in your eyes
But the clock's held 9:15 for hours
Sunrise, sunrise, couldn't tempt us if it tried
'Cause the afternoon's already come and gone And I said who
Who
Who
Do you? Surprise, surprise, couldn't find it in your eyes
But I'm sure it's written all over my face
Surprise, surprise, never something I could hide
When I see we made it through another day And I say who
Who
Who
Do you? Now the night will throw its cover down
On me again
Ooh, and if I'm right
It's the only way to bring me back Who
Who
Who
Do you? Who
Who
Who
Do you?
