

Tonight

Busy Signal

Ooh ooh oh
I like the way you make me feel
The way you make me feel
Ooh ooh ooh
Girl i need you .
I know you can feel it when you whine in front of me
Baby give me that, that is my girl i love your energy
Girl its been a while that i .night
Wanna say girl you take my breath away
Because tonight tonight
I wanna give me the whine of my life
You so tonight tonight like .i drop
.is right yeah give me a lift and have to think twice
Everything is gonna be alright
Dont worry tonight
Tonight .on back
...are you .
Give me what you want .anything for me .
.if you give me a caribbean .
Because tonight tonight
I wanna give me the whine of my life
You so tonight tonight like .i drop
.is right yeah give me a lift and have to think twice
Everything is gonna be alright
Dont worry tonight
Tonight .to ym daughter
God bless you with the .
If i were . put on together
You want me .
You want .squeeze em tight .
And give me that blood .
I know you can feel it when you whine in front of me
Baby give me that, that is my girl i love your energy
Girl its been a while that i felt thid way tonight
Wanna say girl you take my breath away
The way you make me feel
The way you make me feel
Girl i need you
