

# Cauterize the Church Council

## Altar

Aggression for life that you must live today  
For every disappointment you will have to pay  
    Indoctrination it's the only way  
    The meaning of life you obey  
    You are trapped in this reign of terror  
Face your reality that is what you fight for  
    Cauterise the church council  
    Burn their flesh in agony  
Hear their souls scream in pain  
Aggression for life that you must live today  
    For every disappointment you will have to pay  
    Indoctrination it's the only way  
    The meaning of life you obey  
    You are trapped in this reign of terror  
Face your reality that is what you fight for  
    Hypocrite bastards rotten to the core  
Obtain your success when you want more  
    Cauterise the church council  
    Burn their flesh in agony  
Hear their souls scream in pain  
Aggression for life that you must live today  
    For every disappointment you will have to pay  
    Indoctrination it's the only way  
    The meaning of life you obey  
    You are trapped in this reign of terror  
Face your reality that is what you fight for  
    Hypocrite bastards rotten to the core  
Obtain your success when you want more  
Christian motherfucker  
    Put their heads on a stake  
    Release the skin from their bodies  
    Speak the words of evil minds  
        Of a burning life in misery  
    Feed them with the seeds of hate  
    Let them hear your blasphemy  
        Blasphemy  
Aggression for life that you must live today  
Another disappointment you will have to pay  
    Indoctrination it's the only way  
    The meaning of life you obey  
    You are trapped in this reign of terror  
Face your reality that is what you fight for  
    Hypocrite bastards rotten to the core  
Obtain your success when you want more

Don't fuck with my life let it be

My evil shall rise you will see
