## Ashes You Leave

I don't want to fall in love anymore  
I just want to avoid the pain  
I don't want to be fooled again  
I just want to avoid the pain  
Stiff in my grasp through the endless embrace  
Stroy goes on with no endless grace  
Dark on my side, light is what I denied  
Thank you for your body  
Wasted time  
Thank you for your secret  
That will always be mine
