Donovan Wolfington

Stop! Watch! On the News!
You better call the cops
Better not tell your mom
she wouldn't give a fuck It doesn't take that much time
Just to realize you're all right
But don't say that
Everyone's all the same here
Well can't you tell?
You're in your own
Personal hell
And no ones ever gonna save themselves Cause no ones really knows what they're talking about
They just like the sound of their voice out loud
This is America, that's the way it is, I'm used to it by now
I want to be born again
Into the mind of an ignorant Christian
Because my ignorance is bliss
I'm still so sick and so very tired of this shit
Lost cause
No Hope
Everything you believe in is a joke
