Sex Life

Black Box Recorder

Girl on girl, in your dreams
Girls on top, in between
Girls together, girls alone
In your dreams, in your dreams

Boy on boy, boys on top
Boys together, boys don't stop
Being boys, in your dreams
In your dreams, in your dreams

I've been thinking about you (Thinking about you)
Always thinking about you
Can't stop thinking about you (Thinking about you)
In your dreams, in your dreams

Girl on bus, girl on Tube
Brush against you, look at you
Catch your eye, conversation
In your dreams, in your dreams

I've been thinking about you (Thinking about you)
Always thinking about you
Can't stop thinking about you (Thinking about you)
In your dreams, in your dreams

In your dreams
In your dreams
In your dreams
In your dreams

I've been thinking about you (Thinking about you)
Always thinking about you
Can't stop thinking about you (Thinking about you)
In your dreams, in your dreams

Late at night, in your dream
You're not shy, it's so easy
All the colours of the rainbow
In your dreams, in your dreams

I've been thinking about you (Thinking about you)
Always thinking about you
Can't stop thinking about you (Thinking about you)
In your dreams
I've been thinking about you (Thinking about you)
Always thinking about you
Can't stop thinking about you (Thinking about you)
In your dreams, in your dreams
