

# Oh Devil

## Electric Guest

Oh, Devil; I know you're afraid  
Sometimes it's hard to learn from all your mistakes Oh, Devil, I'm glad that you came  
Yes, I should learn how to live because you won't go away Someone's calling for me  
Something's calling for me, again Oh, Devil, I'm back for a while  
to look a doctor phone, look for your number and die Oh, Devil, I made my own hell  
And deep inside I'm sure I got it all by myself Someone's calling for me  
Something's calling for me  
Again  
Oh, I know  
Oh, I know  
Same old thing  
Same old show Oh, I know  
Oh, I know  
Same old thing  
Same show control Oh, I know  
Oh, I know  
Same old thing  
Same old show Oh, I know  
Oh, I know  
Same old thing  
Same show control  
Lucifer  
Lu-Lucifer  
Lu-Lucifer, I need your help  
Lucifer  
Lu-Lucifer  
Lu-Lucifer, I need your help  
Lucifer  
Lu-Lucifer  
Lu-Lucifer, I need your help  
Lucifer  
Lu-Lucifer  
Lu-Lucifer, I need your help
