

# Same Blood

Chris Rene

chorus:

I can't break away cause  
We all got the same blood  
Won't stop talking 'bout this  
Some haters gonna doubt thisverse 1:  
I'm talking love and affection  
all up in your direction.  
Pray for protection  
In life, prayer, it is my weapon  
To be precise, I'd like a piece of the pie  
So sick when I spit they want a piece of my hide  
sleep? Ha. I can sleep when I die  
For now I'm gonna ride for a cause called life.  
When I look to the scene  
What do I see?  
A bunch of human beings.  
Just like you  
Just like me  
Just like you, Just like me  
With a mind that's free I keep movin' forward, I ain't never gonna stop.  
I like where I'm at, but I may see the top.  
One day, Runnin' from Paparazzi(chorus)verse 2:  
Yeah, yeah, yeah  
Everybody got a dream, yeah.  
life, life life ain't what it seem, yeah.  
Fights, fights  
they be the only thing  
that I hate between you and me, yeah.  
It's been nice since we jumped on that frequency  
I believe in you like you believe in me  
It's a beautiful thing like scenery  
I've been reborn through the music  
it's the G in me.  
G-O-D  
That's the only one that's leading me.  
No fear,  
I control where my angels be You don't ever want to see  
the monster that I used to be.  
Using you for things I thought you owed to me.

Looking through the mind of a ghost,  
had the devil close to me.  
I heard what you heard,  
so I'm gonna show you it's supposed to be.  
One love connected, health and unity.  
I see a little bit of you in me(chorus x2)verse 3:  
I got memories, friends catchin' felonies  
I'm on the run, that's what they keep tellin' me  
So I sing a long melody, yeah  
Love life, It's how you will remember me  
Love life's what I'm yellin, G  
Instead of sitting on the block  
bringing light to my remedy  
They'd rather bite than talk  
They'd rather fight than run,  
I'd rather get together,  
get a better life to all.  
A better life to all, a better life to all  
something you can't stop.I ain't just anyone, anyone  
they know I'm gonna get it done, get it done.  
You ain't never heard of me, heard of me.  
So I'm gonna have to serve you some,  
serve you some.(chorus)
