

Victim Of Changes

Gamma Ray

Whiskey woman don't you know that you are drivin' me insane
The liquor you give stems your will to live and gets right to my brain
Don't you know you're driving me insane
You're tryin' to find your way through life
You're tryin' to get some new direction
Another woman got her man
She won't find no new connectionTakes another drink or two, things look better when she's through
Takes another look around, you're not goin' anywhere
You've realized you're gettin' old and no one seems to care
You're tryin' to find your way again
You're tryin' to find some new
Another woman's got her man
But she won't find a newTakes another drink or two, things look better when she's through
You 'bin foolin' with some hot guy
I want to know why is it why
Get up get out you know you really blew it
I've had enough, I've had enough, good God pluck meOnce she was wonderful
Once she was fine
Once she was beautiful
Once she was mine, she was mineNow change has come over her body, she doesn't see me anymore
Now change has come over her body, she doesn't see me anymoreChanges, changes, changes
Victim of changes
