Coming Undone

Wicked Brew Band

Keep holding on
When my brain's ticking like a bomb
Guess the black thoughts
Have come again to get meSweet bitter words
Unlike nothing I have heard
Sing along, mockingbird
You don't affect meThat's right
Deliver it to my heart
Please strike
Be deliberateWait, I'm coming undone
Irate, I'm coming undone
Too late, I'm coming undone
What looks so strong, so delicateWait, I'm starting to suffocate
And soon I anticipate
I'm coming undone
What looks so strong, so delicateChoke, choke again
I find my demons were my friends
Pity me in the end
They're out to get meSince I was young
I tasted sorrow on my tongue
And this sweet sugar gun
Does not protect meThat's right
Trigger between my eyes
Please strike
Make it quick nowWait, I'm coming undone
Unlaced, I'm coming undone
Too late, I'm coming undone
What looks so strong, so delicateWait, I'm starting to suffocate
And soon I anticipate
I'm coming undone
What looks so strong, so delicateI'm trying to hold it together
Head is lighter than a feather
Looks like I'm not getting better
Not getting betterWait, I'm coming undone
Unlaced, I'm coming undone
Too late, I'm coming undone
What looks so strong, so delicateWait, I'm starting to suffocate
And soon I anticipate
I'm coming undone

What looks so strong, so delicate
