I'm the King

Six Def

I'm the king 'round here
So don't call me no good
I'm the king 'round here
You don't know what you said
I'm the king 'round here
So don't call me no good
I'm the king 'round hereI felt cool as ice
Looking at her
You know I did now, you know I did
I said baby
I felt cool as ice
You know I did now, you know I did
