Whatâ€™s Right Is Right

Taylor Hicks

When there's sadness in your eyes, I see it
You can't hide what's swaying on your mind
When there's trouble in your life, I feel itWhat's wrong with you is wrong with me
And what's right is rightWhen there's joy inside your heart, I'll share it
When you gotta dream, I say reach for the sky
And if you ever fall, I'll catch youWhat's wrong with you is wrong with me
What's right is rightI don't wanna go a single night without you
I don't wanna know what an empty bed is like
When you laugh, I'm laughing
And when you cry, I'm cryingWhat's wrong with you is wrong with me
And what's right is rightThis I promise you forever
With you all the way to the finish line
And we're gonna cross that bridge together
Marching step by step, walking side by sideI don't wanna go a single night without you
And I don't wanna know what an empty bed is like
When you laugh, I'm laughing
And when you cry, I'm cryingWhat's wrong with you is wrong with me
And what's right is rightI don't wanna go a single night without you
I don't wanna know what an empty bed is like
When you laugh, I'm laughing
When you cry, I'm cryingWhat's wrong with you is wrong with me
And what's right is rightI don't wanna go a single night without you
And I don't wanna know what an empty bed is like
When you laugh, I'm laughing
When you cry, I'm cryingWhat's wrong with you is wrong with me
And what's right is right
What's wrong with you is wrong with me
And what's right is right
What's wrong with you is wrong with me
What's right is right
