Smashing the Antiu

Nile

Burning of the Defeated
Dragging The fettered Rebels
To the Block of SlaughterDecapitated Headless
Naked and Bound
Captives Adorn my ShieldArms Tied behind their Backs
Lying Bound in Agony
Fiends Hold them with Ropes
Awaiting Beheadment and MutilationWith Contempt for the Vanquished
We Exterminate the
Dwellers of the Eastern DesertAmenhiu!
They are Doomed to SlaughterWe stab their bodies with Daggers
We Smash their Skulls with Clubs
We Crush their Bones
And Gash their Faces
Their Necks are Broken and Severed
Their Bowels are Gored with Spears
Yeah ! We Hack off their Limbs
And Cast the Phalluses
Into Pits of FireSmashing the Antiu
