Nothing but Love

James

Nothing but love gives the world some meaning
Nothing but love is the drug of Healing
Lover be soft, lover be bold
Earthquake, avalanche, volcanoNothing but love
I've got nothing but loveNothing but love stops the mind from grinding
Nothing but love flushes hearts from hiding
Deeper we dive, nowhere to hide
Earthquake, avalanche and goodbyeNothing but love fills the hole I'm hiding
Nothing but love from the well we're drinking
Into the highs deal with the lows
Earthquake avalanche volcanoFor all, there's no answers only dancers
For all, love me now, I'll pay the costNothing but love
I've got nothing but love
Nothing but, nothing but love
I've got nothing but love
I've got nothing but love
Nothing but, nothing but love
Nothing but love!
