

Someone to Light up My Life

Yoshiaki Okayasu

Writer(s): antonio carlos jobim - gene lees - vinicius demoraesGo on your way with the cloudless blue sky above

May all your days be a wonderful song of love

Open your arms and sing of all the hidden hopes you'll ever treasure

And live out your life in peaceWhere shall I look for the love to replace you

Someone to light up my life

Someone with strange little ways

Eyes like a blue autumn haze

Someone with your laughing style

And a smile that I know will keep haunting me endlesslySometimes in stars or the swift flight of seabirds

I catch a moment of you

Thats why I walk all alone

Searching for something unknown

Searching for something or someone to light up my life
