

# Deep Water

## Asleep At the Wheel

I'm drifting into deep water  
I'm starting to care for you  
And you're getting me in deep water  
Be careful of what you do You want a romance but I'm sick in love  
I know I'll regret it when it ends I'm winding up in deep water  
Why can't we just be friends? It's restless in this deep water  
I'm lost between right and wrong  
My love is true as deep water  
Your love won't last as long Where will it lead me and when will it end?  
I can't help but wish I only knew I'm winding up in deep water  
So deep in love with you
