Seven Tears

Goombay Dance Band

Seven tears have flown into the river
Seven tears are runnin' to the sea.
If one day they reach some distant waters
Then you'll know
it's sent with love from me.Here I stand
head in hand
Lonely like a stranger on the shore.
I can't stand this feeling anymore.
Day by day
this world's all grey
And if dreams were eagles I would flyBut they ain't
and that's the reason why.
Seven tears have flown into the river
. . .Oh
my darling
oh
my pretty ladyGolden star that leads to paradise.
Like a river's running to the ocean
I'll come back to you fourthousand miles.
Here I stand
head in hand . . .
Seven tears have flown into the river
. . .
Oh
my darling
oh
my pretty lady
. . .
Seven tears have flown into the river
. . .
Oh
my darling
oh
my pretty lady
. . .
