

# Room to Breathe

## You Me at Six

I feel a little lost in this world  
I try a little noise and choke  
I've honestly never felt this alone  
Oh, I just need someone I need a little room to breathe  
You're making this hard for me  
When all I need is to be set free  
I need a little time to think  
And if you ever will love me  
Then all I need is a little room to breathe I've been through and seen a lot  
Left at the bottom and the top  
We're on borrowed time  
But time isn't enough  
I'm just trying to be the  
Best me I can be  
Oh when I fall down  
It's just me and the grounds  
I am no king  
I have no throne I need a little room to breathe  
You're making this hard for me  
When all I need is to be set free  
I need a little time to think  
And if you ever will love me  
Then all I need is a little room to breathe  
Room to breathe
