

# Have I the Right?

## The Honeycombs

Have I the right to hold you  
You know I've always told you  
That we must never ever part, oh oh oh oh Have I the right to kiss you  
You know I'll always miss you  
I've loved you from the very start Come right back I just can't bear it  
I've got this love and I long to share it  
Come right back I'll show my love is strong Have I the right to touch you  
If I could you'd see how much you  
Send those shivers running down my spine, oh oh Have I the right to thrill you  
You know I'll wait until you  
Give me the right to make you mine Well, Come right back I just can't bear it  
I've got this love and I long to share it  
Come right back I'll show my love is strong, oh yeah  
All right Have I the right to hold you  
You know I've always told you  
That we must never ever part, no, no, no, no, no, no. Have I the right to kiss you  
You know I'll always miss you  
I've loved you from the very start Come right back I just can't bear it  
I've got this love and I long to share it  
Come right back I'll show my love is strong, oh yeah, yeah Come right back I just can't bear it  
I've got this love and I long to share it  
Come right back right back where you belong, oh yeah  
You belong, oh yeah, you belong
