

# My Lover's Gone

Dido

My lover's gone, his boots no longer by my door  
He left at dawn and as I slept I felt him go  
Returns no more, I will not watch the oceanMy lover's gone, no earthly ships will ever  
Bring him home again, bring him home againMy lover's gone, I know that kiss will be my last  
No more his song, the tune upon his lips has passed  
I sing alone while I watch the oceanMy lover's gone, no earthly ships will ever  
Bring him home again, bring him home againMy lover's gone, his boots no longer by my door  
He left at dawn and as I slept I felt him go  
Returns no more, I will not watch the oceanMy lover's gone, no earthly ships will ever  
Bring him home again, bring him home again
