Empty Threat

Stripmines

The hardest days of the summer
They brought us here together
You know it's true
But this colder it's gettign warmer
Maybe come Septemebr I will feel brand new
I'm moving to Mecca,
Moving to Mecca
Moving to Mecca
It's an empty threat
In a city I once ... never
I'm learning to say never never never ever
'Cause now I'm its favourite flower
I'm booming through to the concrete cracks of this .
I'm moving to Mecca,
Moving to Mecca

Moving to Mecca
It's an empty threat
x2
... flowers
My . under showers
I hit that head till it's .
And ... down there
3 x
I'm moving to Mecca,
Moving to Mecca
Moving to Mecca
It's an empty threat
The hardest days of the summer
They brought us here together
You know it's true
