Wasted

Goldfinger

I'm wasted again
Passed out, don't know who I am
I'm so wasted again
Blacked out, don't know where I've been
Or who I am
I thought I could make it on my own
I thought I was indestructible
I had an excuse, 'cause I was young
I thought I was so untouchable
I would throw it all away
I would throw my life away
I'm wasted again
Passed out, don't know who I am
I'm so wasted again
Blacked out, don't know where I've been
I couldn't admit that I was wrong
I didn't fit in, didn't belong
I was young, I was stupid, a life of despair
I was proud, I was angry, I just didn't care
I was everything I never wanted to be

I became my enemy
I would throw it all away
I would throw my life away
I'm wasted again
Passed out, don't know who I am
I'm so wasted again
Blacked out, don't know where I've been
Or who I am
They said I had potential
They said I got what's coming to me
They say I got the devil
And I don't know what's wrong with me
What's wrong with me
I'm wasted again
Passed out, don't know who I am
So wasted again
Blacked out, don't know where I've been
'Cause I'm wasted again, I'm wasted again

I'm wasted again, I'm wasted again
