

# Only Run

## Clap Your Hands Say Yeah

(It's a beautiful world.)

There is no plan, nothing worth to living  
I dreamt you as you were in feathers  
I will end it,  
we were built for pleasure.  
Now it's my time with your ??  
I don't need to be strong  
I don't care anymore.

(Aaah aaa aaah  
Aaah aah aaah aaa)

When I found you  
Holdin' on to yourself  
With your suitcase you said: I'm ready!  
I can not stand,  
It's that now or never  
I will not raise a hand to stop you.  
I don't need to be strong  
I don't care anymore.

(Aaah aaa aaah  
Aaah aah aaah aaa)
