

Let Go

Souljahz

Sunny blue skies when my clouds been gray
Glass of cold water on a real hot day
Hot cocoa in the mug when it's cold outside
Like change for the bus when you got no ride Lemme tell you 'bout a friend who will always be around
When your head hangs so low feel it draggin' on the ground
When you feel like the whole world jumped on your soul
Breathe in, breathe out, and let go, come on now One, two what should I do
It hurts me to walk with this hole in my shoe
But I can't complain 'cause at least I got feet
And I don't need no shoes just to groove to the beat Or to read Psalm 23 when it tells me
The Lord be my shepherd so what else do I need
Or Psalm 91 says, He'll deliver me
If I L O V E the G O D So let go, let go, let go
So let go, let go, let go
So let go, let go, let go
So let go, let go Let it go, yo, yo you got yo problems
You got yo, you got yo issues, you gotta let it go, yeah
[Incomprehensible] Asada with no Horchata, haha, you gotta let it go, uh
You got yo drama, yo baby, yo baby mama You gotta let it go, yo, you got yo problems
Yo issues and God knows, He's reachin' out for you
Dawg, let it go Yo, it's the S O U L J A H Z
Now lemme see when this beat come back in
How many of ya'll go crazy, uh, this is for my ladies
Yeah, 'cause it's all gravy, uh, this is for my fellas
Yo, holla back at me Lemme see yo hands up if you done gave yo plans up
Let go and let God brother, run and tell your Godmother
If you's an odd number then your digit we gone call
Aah, I'm a Souljah, shoot I thought I told ya'll Lost my umbrella on a rainy day
Stepped in a puddle goin' on my way
Boss all on my back 'cause I walked in late
But no matter what happened kept a smile on my face 'Cause I know of a friend who will always be there
When the world turns its back and nobody cares
When you feel like you just can't take no more
Breathe in, breathe out and let go, come on now One, two, who woulda knew
I ran outta gas now what else can I do
But I, I can't complain 'cause at least I gotta car
And I don't need no gas to sing to the guitar Or to read 1st Timothy when it tells me
The Lord gave me ministry so I should take heed
Or 1st John says, have no fear in me

If I L O V E the G O D So let go, let go, let go
So let go, let go, let go
So let go, let go, let go
So let go, let go Let it go, yo, you got yo problems
You got yo, you got yo issues, you gotta let it go, yeah
[Incomprehensible] Asada with no Horchata, haha, you gotta let it go, uh
You got yo drama, yo baby, yo baby mama You gotta let it go, yo, you got yo problems
Yo issues and God knows, He's reachin' out for you
Dawg, let it go Horchata, Hor-Hor-Horchata
Yo, I'm a Souljah, shoot I thought I told ya'll
I'm a Souljah, shoot, I'm a Souljah, shoot
I'm a Souljah, shoot
I'm a, I'm a, I'm a Souljah, shoot
