It's Worth It

Jackie Thomas

[Verse 1]
We had the starry eyes
And everything aligned
Where did the butterflies go go go
We were the racing hearts
Couldnâ€™t be torn apart
When did we turn into stone oh ohâ€¦
We fall so fast but we crash so slow oh ohh...

[Chorus]
But if we keep holding on
I know weâ€™ll get back to the surface
Cause itâ€™s worth it
If we keep holding on
I know that nobodyâ€™s perfect
But weâ€™ll work it out

[Verse 2]
We were just ankle deep
Would of started to creep
There was no keeping it out out out
We were riding the waves
Surviving all the brakes
We didnâ€™t think we could drown drown drown
And we tried to give it back
But weâ€™re sinking down down down

[Chorus]
But if we keep holding on
I know weâ€™ll get back to the surface
Cause itâ€™s worth it
If we keep holding on
I know that nobodyâ€™s perfect
But weâ€™ll work it out

[Bridge]
I donâ€™t know how long I can hold my breath
But Iâ€™m not letting go yet
Cause I'm not ready
No I'm not ready to give up on us

Oooooohhhhhh...
We fall so fast but we crash so slow oh ohh...

[Chorus]
But if we keep holding on
I know weâ€™ll get back to the surface
Cause itâ€™s worth it
If we keep holding on
I know that nobodyâ€™s perfect
But weâ€™ll work it out
Hold on... Hold on... Its worth it!!
I know that nobodyâ€™s perfect
But weâ€™ll work it out
