

Disease

Julien-K

Think about your life
Think about your life in the ground
 Think about your pain
Think about it then suck it down
 Think about the road
 Think about that your on
 Think about your life
 Now it's gone
 Face up and change
 Your time displaced
 No way you're gonna
 Escape
If you could see through my eyes
 You'll see I'm fucked up inside
 I can't get away
 I can't get away from this place
 I am drowning in
 I am drowning in my mistakes
 I can't get it off
 I can't get it off, yes, it's real
 I can't get it off
 There's nothing to feel
 No life this is the
 Last time I've got it
 All wrong right from it
If you could see through my eyes
 You'll see I'm fucked up inside
 Can't you just see it's a trap
 You been jacked, you been smacked
 You been cracked, it's a fact in the black
 That's designed to hold you back
 You can try, you can die
 You can fly, you can run, you can hide
 But the pain that you feel inside
 You been hooked, you been booked
 You been shook, you been took
 Why can't you take a look?
 Take a look, take a look
 You're gonna burn and bleed

On your knees gonna feel the freeze
As you feel my disease, as you feel my disease
My disease, my disease
