

Baby I Want You

[Amos Lee](#)

Baby I want you, baby I want you
Baby I do
Darling I love you, darling I love you
Know that it's true Don't leave me here out on my own
Don't you know how I hate to be alone
I just want to be a part of your home Baby I want you, baby I want you
Baby I do
Darling I love you, darling I love you
Know that it's true Don't leave me here out in the cold
Don't you know that it's your hand
I wanna hold
As these days fly past and unfold, hey
