

# Straight From The Heart

Bonnie Tyler

I could start dreaming but it never ends  
As long as you're gone we may as well pretend  
I've been dreaming  
And that's straight from the heart You said it's easy but who's to say  
That we'd be able to keep it this way  
But it's easier  
Coming straight from the heart Give it to me straight from the heart  
Tell me we could make another start  
You know I'll never go  
As long as I know  
It's coming straight from the heart I'll see you on the street some other time  
But all our words will just fall out of line  
While we're dreaming  
Straight from the heart Give it to me straight from the heart  
Tell me we could make another start  
You know I'll never go  
As long as I know  
It's coming straight from the heart Give it to me straight from the heart  
Tell me we could make another start  
You know I'll never go  
As long as I know  
It's coming straight from the heart Give it to me straight from the heart  
Tell me we could make another start  
You know I'll never go  
As long as I know  
It's coming straight from the heart You know I'll never go  
As long as I know  
It's coming straight from the heart You know I'll never go  
As long as I know  
It's coming straight from the heart
