Promise Me

Lea Salonga

You light up another cigarete
And I pour the wine
It's four o'clock in the morning
And it's starting to get lightNow I'm right where I wanna be
Losing track of time
But I wish that it was still last nightYou look like you're in another world
But I can read your mind
How can you be so far away
Lying by my side?When I go away I'll miss you
And I will be thinking of you
Every night and day justPromise me you'll wait for me
'Cause I'll be saving all my love for you
And I will be home soonPromise me you you'll wait for me
I need to know you feel the same way too
And I'll be home, I'll be home soonWhen I go away I'll miss you
And I will be thinking of you
Every night and day justPromise me you'll wait for me
'Cause I'll be saving all my love for you
And I will be home soonPromise me you you'll wait for me
I need to know you feel the same way too
And I'll be home, I'll be homePromise me you'll wait for me
'Cause I'll be saving all my love for you
And I will be home soonPromise me you you'll wait for me
I need to know you feel the same way too
And I'll be home, I'll be home soon
